Thank you for submitting the Certified Crop Adviser Continuing Education Units application. Your application will be reviewed and you will be notified of the review.

If your application is approved for CCA CEUs, you will be sent a CEU tracking number and approved CEUs by category as well as a sign-in sheet to use at your meeting. Please return the sign-in sheets to the Certification Programs, 5585 Guilford Road, Madison, WI 53711-5801 or fax to [608-273-2081](tel:608-273-2081) *within thirty days of the meeting*. You may also scan the sign-in sheets and send them electronically to your [certification representative](#). If no certificants attend, please mark the sign-in sheet as "No Certificants" and send in the sign-in sheet so the CEU tracking number can be closed out as soon as possible.

If you have any questions about your CEU application, please contact your [local board CEU contact](#).
