Business development, include discussion in training and share w/ friends/clients through stories.

Invite interesting people who want to know and teach them.

I would make some outreach to my relatives and also my community.
I am going to integrate these informations into my Entrepreneurship training to youth.
Since I am the one who is in charge of selling NPK, seeds, polybags, cucumber net and etc., I strongly recommend the farmers to use sheet mulching instead of NPK cuz sheet mulching, provides rich nutrients to the soil and built soil and also preserve the soil from being eroded.

Develop & establish working relationship and networking with other stakeholders in their community.
Started with _chee_? And if work then move on to the other community.
Inform and teach and then actual do it.
