### Default Question Block

Q41 This question type is not currently supported

Q9 This question type is not currently supported

Q8 This question type is not currently supported

Q6 How often is the field tilled?

10 Continuous no-till

3 Once every 5-8 years

2 Once every 3-4 years

1 Every other year

0 Every year

Q31 What depth is your tillage?

Tillage depth in inches

Q32 What is your level of soil disturbance? Examples are listed below.

Surface Disturbance percentage

Q10 This question type is not currently supported

Q12 How many primary crops are included in a single rotation?

Clear

0

1 crop

1

2 crops

2

3 crops

3

4 crops

4

5 crops

5

6 crops

6

More than 6 crops

Q33 Are perennials included in your rotation?

Clear

3

Yes

0

No

Q13 Are any of your primary crops legumes?

Clear

1

Yes

0

No

Q14 This question type is not currently supported

Q34 How often do you currently plant cover crops?

Clear

3

Every year

2

Every other year

1

Every three years or more

0

Never

Q70 How do you establish your cover crops?

Clear

3

Drill or interseeder

2

Broadcast with incorporation or manure

1

Highboy with drop tubes

0

Broadcast or aerial without incorporation

Q17

This question type is not currently supported

Q24

This question type is not currently supported

Q1

How many species of cover crops do you plant in a field at the same time?

Clear

1

One cover crop species

3

2-3 cover crop species

4

4 or more cover crop species

Q18

Are both grass and broadleaf species included in your typical cover crop mixes?

Clear

2

Yes

0

No

Q22

This question type is not currently supported

Q36

How many weeks are there between fall harvest and winter cover crop planting?

Clear

4

Less than 1 week

2

1-2 weeks

1

3-4 weeks

0

More than 4 weeks

Q37 How many weeks are there between cover crop termination and spring planting?

Clear

4

Less than 1 week

2

1-2 weeks

1

3-4 weeks

0

More than 4 weeks

Q39 This question type is not currently supported

Q38 How does your current average soil organic matter percentage compare to what it was five years ago?

Clear

0

Decreased or unknown

1

Stayed the same

2

Increased more than 0.25%

3

Increased more than 0.50%

4

Increased more than 0.75%

5

Increased more than 1.00%

6

Increased more than 1.25%

7

Increased more than 1.50%

8

Increased more than 1.75%

9

Increased more than 2.00%

Q40 Do you add any of the following sources of organic matter?

Clear

5

Solid manure (stacks like solid; not poultry)

4

Compost

3

Slurry manure (contains particles)

2

Poultry manure

1

Liquid manure (no particles)

1

Other

0

No

Q42 Do you remove primary crop residue from the field?

Clear

0

Always

1

Most of the time

2

About half the time

3

Sometimes

4

Never

Q43 This question type is not currently supported

Q44 Do you interseed cover crops?

Clear

4

Yes, interseeder

1

Yes, aerial or broadcast

0

No

Q45 Do you interseed annuals into perennial forages?

Clear

1

Yes

0

No

Q46 This question type is not currently supported

Q47 Do you plant into living cover crops?

Clear

4

Always

3

Most of the time

2

About half the time

1

Sometimes

0

Never

Q48 This question type is not currently supported

Q49 What is the percent residue remaining after planting?

Clear

0

Less than 10%

1

10 - 30%

2

31 - 60%

4

More than 60%

Q50 Is the residue spread evenly over the field?

Clear

2

Yes

0

No

Q53 This question type is not currently supported

Q52 Do you have a written plan for managing nutrients?

Clear

1

Yes

0

No

Q51 Generally, in which category are your available phosphorus levels?

Auto

#

Deficient

#

Optimum

#

Excessive

#

I don't know

Q54 Generally, in which category are your available nutrient levels (other than phosphorus)?

Auto

#

Deficient

#

Optimum

#

Excessive

#

<sup>x</sup> I don't know

Q71 Do you apply less nitrogen after a legume or after manure application?

Auto

#

Yes

#

No

Q55 This question type is not currently supported

Q56 Was manure applied to a growing crop?

Auto

#

Always

#

Most of the time

#

About half the time

#

Sometimes

#

Never

Q58 This question type is not currently supported

Q57 Do you use pesticides?

Auto

#

Yes

#

No

Q59 Do you use scouting and thresholds to determine when and if to apply insecticides?

Auto

#

Yes

#

No

Q61 This question type is not currently supported

Q60 Do you avoid operating equipment when soil moisture conditions are too wet?

Auto

#

Always

#

Most of the time

#

About half the time

#

Sometimes

#

Never

Q62 Do you use flotation tires at recommended low pressures on your equipment?

Auto

#

Always

#

Most of the time

#

About half the time

#

Sometimes

#

Never

Q64 Do you choose cover crop species based on specific field compaction problems?

Auto

#

Always

#

Most of the time

#

About half the time

#

Sometimes

#

Never

Q63 This question type is not currently supported

Q65 Do you graze livestock on your cropland?

Auto

#

Always

#

Most of the time

#

About half the time

#

Sometimes

#

Never

Q66 What is your level of grazing management?

Auto

#

Rotational or mob grazing

#

Continuous grazing

Q67 Do you avoid grazing cropland when it's wet?

Auto

#

Always

#

Most of the time

#

About half the time

#

Sometimes

#

Never
