

2018 Summer Farm Meeting

Thursday, August 9, 2018, 10:00 a.m. to 2:30 p.m.

[Bridgeman View Farm, 4826 Hanna Road, Franklin, VT 05457](#)

Join UVM Extension Northwest Crops and Soils Program (NWCS), Friends of Northern Lake Champlain (FNLC), Farmer's Watershed Alliance (FWA), and Agrilab Technologies at Tim and Martha Magnant's farm, Bridgeman View Farm. Topics include manure management systems, tile drainage best management, cover cropping, and reduced tillage.

FIELD DAY DETAILS

10:00 a.m. Arrive at [Bridgeman View Farm, 4826 Hanna Road, Franklin, VT 05457](#)

10:15 a.m. Welcome

10:30 a.m. FNLC project updates including a two-tier ditch, updates from Agrilab Technologies, and Rock River sampling project update including new data.

11:15 a.m. UVM research updates, FWA project updates, an update on Lake Carmi Watershed conservation implementation, and tile drainage best management.

12:15 p.m. Lunch sponsored by Champlain Valley Equipment.

1:15 p.m. View and discussion of equipment including grassland manure injector, rippers, interseeder, and grain drill.

1:45 p.m. Visit and discussion of no-till corn and interseeded corn trial.

2:30 p.m. Drive to Greg Bouchard's farm to view two-tier ditch project.

4 Water Quality and 3 Custom Applicator credit hours will be available.

RSVP by August 3, 2018. Register online at 2018summerfarmmeeting.eventbrite.com or contact Susan Brouillette at 802-524-6501 or 1-800-639-2130 (Vt. only) or e-mail susan.brouillette@uvm.edu
