

Nutrition's Role in Sustainable Livestock Production Practices 2019

A new workshop series on pasture management and infrastructure and the nutritional needs of livestock raised on pasture

Certificate of Participation

New this year, a Certificate of Participation will be presented to each Tri-State SARE project participant who completes the requirements listed below.

Certificate Requirements:

1. The recipient will attend all three classroom workshops
2. The recipient will attend at least one of the three field training workshops
3. The recipient will provide feedback at all workshops attended through the on-site evaluation provided by the project

The certificate will be issued through the University of Connecticut College of Agriculture, Health and Natural Resources, Department of Extension.
