

Conservation of Predatory Carabid Beetles (Coleoptera: Carabidae)
In Agroecosystems of the Southern Great Plains
Graduate Student SARE Grant GS08-066

Dispersal for June 2006

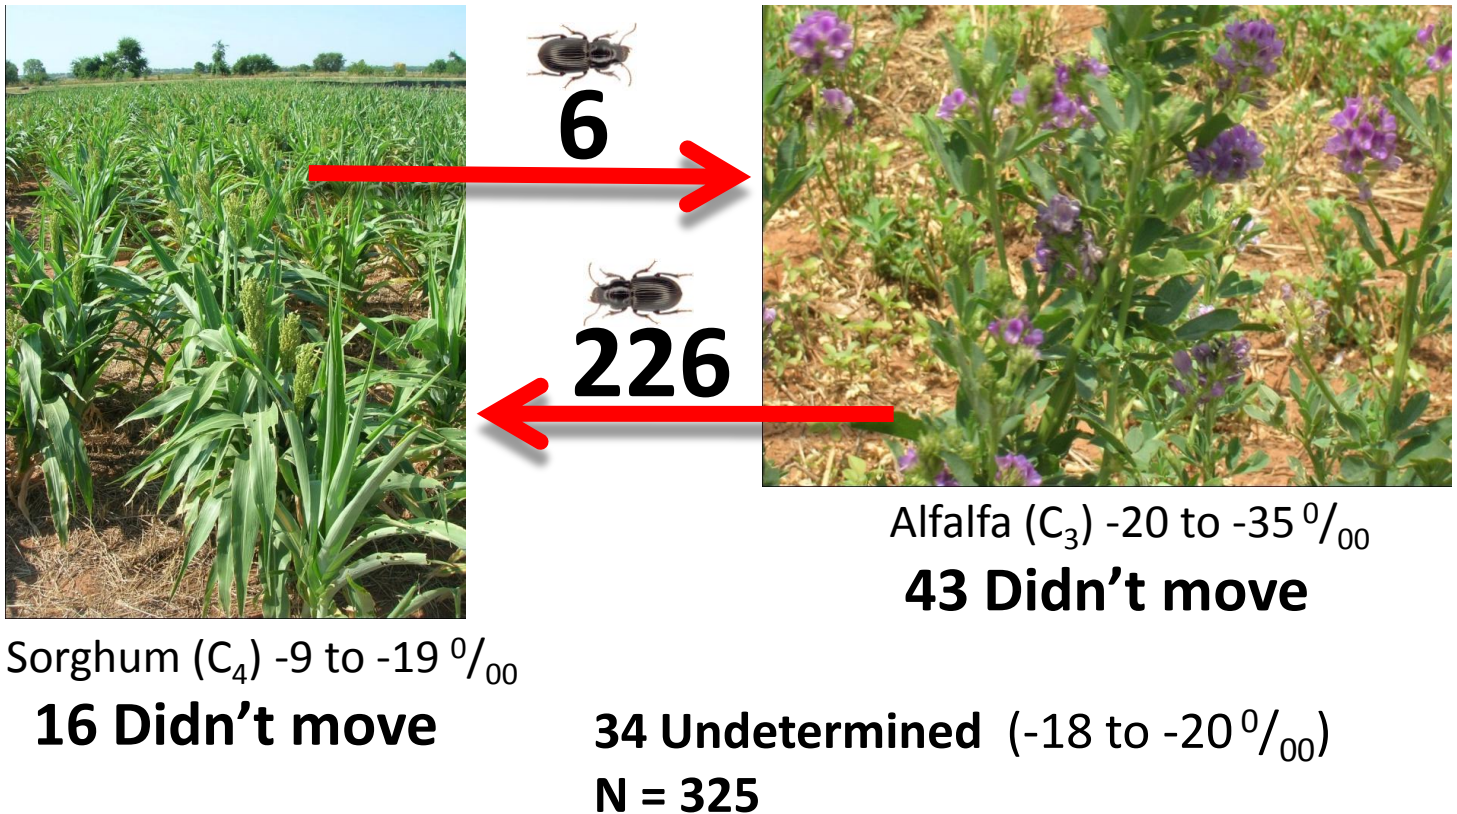

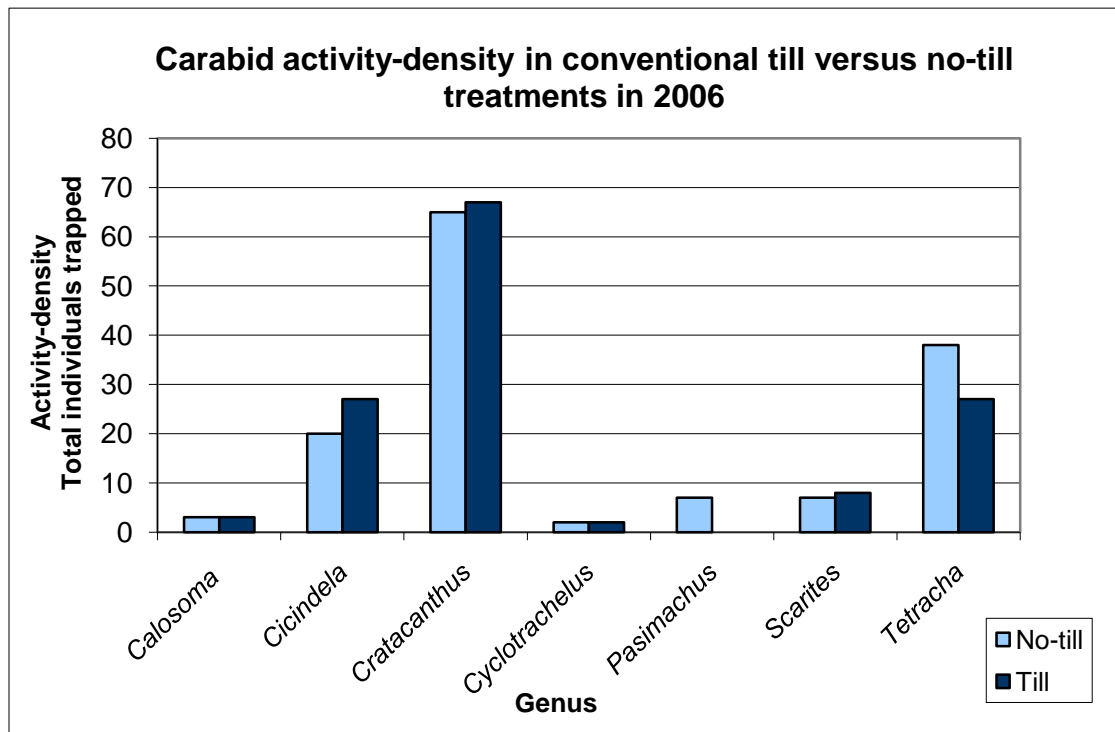

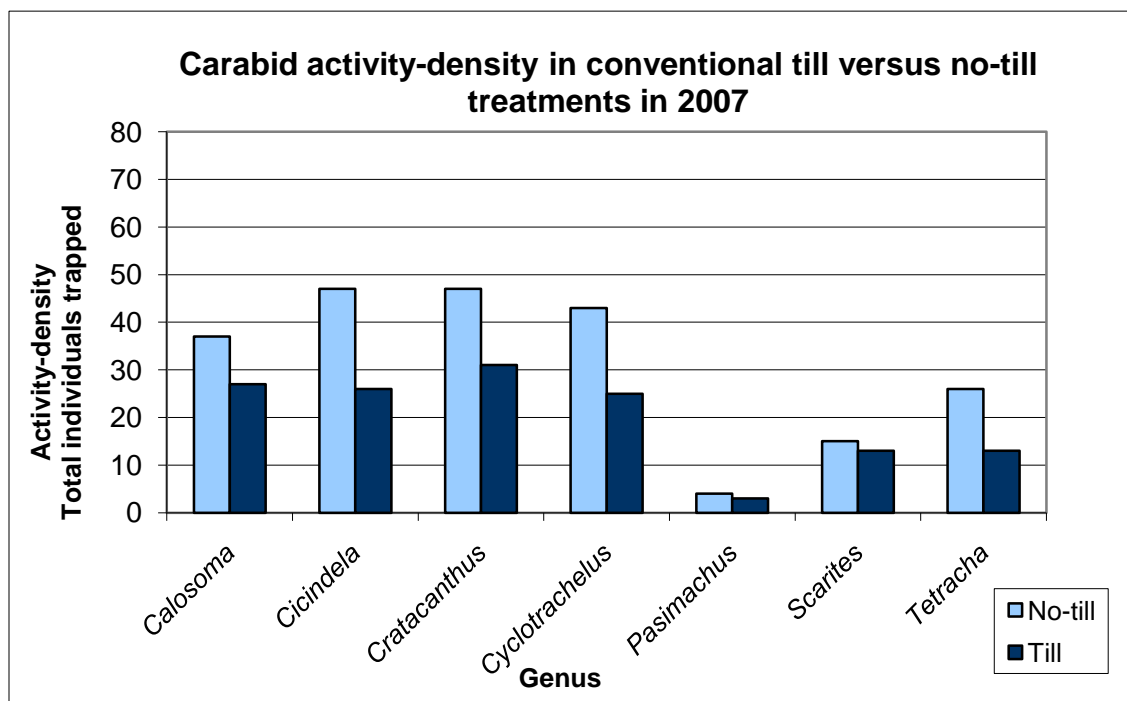

Figure 1. Carabid dispersal for June 2006 as determined by stable carbon isotope data.

Conservation of Predatory Carabid Beetles (Coleoptera: Carabidae) In Agroecosystems of the Southern Great Plains Graduate Student SARE Grant GS08-066

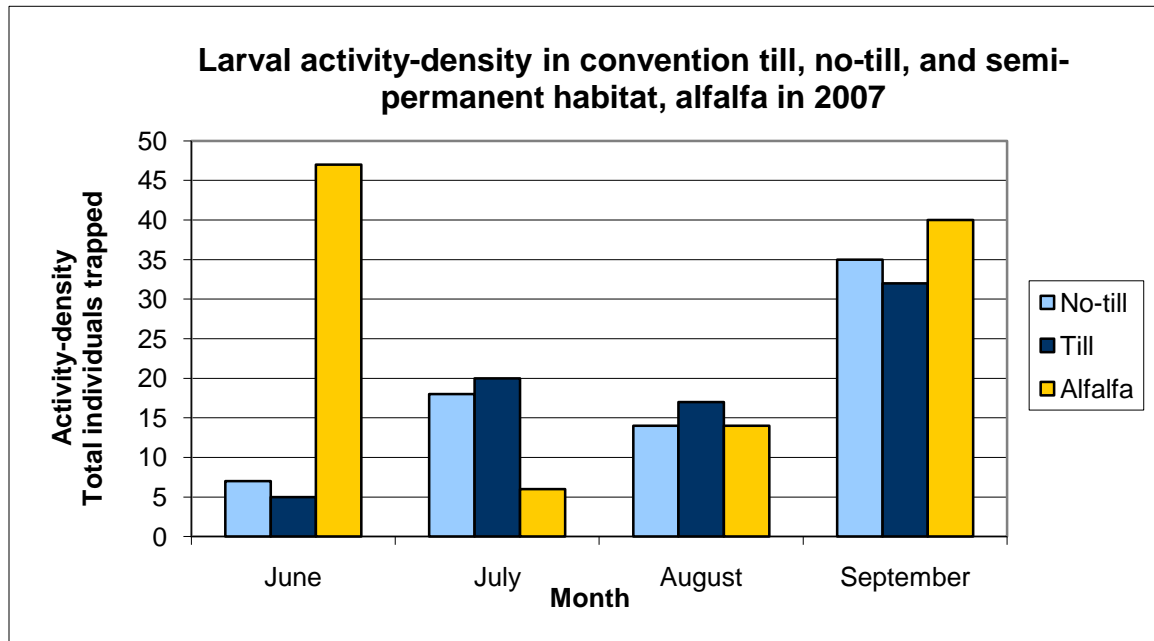

Graph 1. Carabid activity-density in conventional tillage versus no-till in 2006.

Graph 2. Carabid activity-density in conventional tillage versus no-till in 2007.

Conservation of Predatory Carabid Beetles (Coleoptera: Carabidae) In Agroecosystems of the Southern Great Plains Graduate Student SARE Grant GS08-066

Graph 3. Larval activity-density compared in all treatments in 2007.
