

# Cooperative Extension presents recycling program

MONDAY, JULY 27, 2009

CANTON — St. Lawrence County Cornell Cooperative Extension will have a kickoff event to present a project on recycling agricultural plastics.

ARTICLE OPTIONS

The county Ag & Farmland Protection Board, which received funding from Sustainable Ag Research and Education, will have identical programs from 10 to 11:30 a.m. and 7 to 8:30 p.m. Thursday at extension offices, Route 68.

The sessions will discuss best management practices for recycled plastic processing, achieving standards on farms, the baling process and other logistics. The program is an expansion of Cornell University's recycling ag plastics project.
