

# FARM INSPECTION CHECKLIST

Date: \_\_\_\_\_

## Personal Data:

1. Name: \_\_\_\_\_
2. Home Address: \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_
3. Home Phone: \_\_\_\_\_ Work Phone: \_\_\_\_\_  
  
Cell Phone: \_\_\_\_\_
4. Email: \_\_\_\_\_
5. Website: \_\_\_\_\_
6. County: \_\_\_\_\_
7. Extension Agent: \_\_\_\_\_
8. Certified Master Goat Producer: \_\_\_Yes or No\_\_\_
9. Date of Certification: \_\_\_\_\_
10. Current Certification Level: (*Check One*): 1 \_\_\_ 2 \_\_\_ 3 \_\_\_
11. Reason for Farming: (*Check One*): Hobby \_\_\_ Income \_\_\_ Food \_\_\_ or Other \_\_\_.
12. Total number of acres of land for goats: \_\_\_\_\_
13. Herd size: \_\_\_\_\_
14. Goats owned? (*Check One*): Dairy \_\_\_ Meat \_\_\_ Fiber \_\_\_
15. Breed of goats? \_\_\_\_\_
16. Production System: \_\_\_\_\_.

A.	BIOSECURITY	RESPONSE	SCORE
1.	Biosecurity signs are posted on the property? (2 pts.)	Yes__or No__	
2.	Producer and visitors disinfects shoes or cover them to prevent transmission of diseases on the farm? (5pts.)	Yes__or No__	
3.	There is a quarantine pen and a sick pen for the goat (5pts.) herd?	Yes__or No__	
4.	The pens are a good distance away from the rest of the herd? (5pts.)	Yes__or No__	
5.	Traffic is controlled on the farm? (5pts.)	Yes__or No__	
6.	There is an area or procedure that is used to properly dispose of manure and dead animals on the facility? (5pts.) <i>Explain: <u>Bury dead animals and spread the manure in the pastures.</u></i>	Yes__or No__	
7.	Producer borrows equipment (e.g., hoof knives, scales, truck) from other producers (3 pts.)?	Yes__or No__	
8.	Producer takes measures to prevent the transmission of diseases from the sick pen to the clean pen? (5pts.) <i>Explain: <u>Go to the sick pen last</u></i>	Yes__or No__	
9.	Producer always quarantines new and sick animals? (5pts.)	Yes__or No__	
10.	Producer quarantines new animals for at least 4 wks. (5pts.)	Yes__or No__	
B.	<b>FACILITIES AND EQUIPMENT</b>		
1.	Perimeter fence is sturdy and at least “48” in height? (5pts.)	Yes__or No__	
2.	The perimeter fence keeps the herd in and the predators out? (5pts.)	Yes__or No__	
3.	The pastures are crossed fenced for rotational grazing? (3pts.)	Yes__or No__	
4.	The gates are properly installed? (5pts.)	Yes__or No__	
5.	The fencing does not need repairing? (7pts.)	Yes__or No__	
C.	<b>SHELTERS</b>		
1.	Shelters are provided for the herd? (5pts.)	Yes__or No__	
2.	Separate shelters are provided for the does, bucks and replacement herd? (5pts.) <i>Explain: <u>The bucks did not have shelter.</u></i>	Yes__or No__	

**C. SHELTERS (cont...)** **RESPONSE**  
3. The shelters are sturdy, cleaned and well-ventilated? (5pts.) Yes\_\_\_or No\_\_

4. There is adequate space for each animal? (3pts.) Yes\_\_or No\_\_

5. Are the shelters in disrepair? (7pts.) Yes\_\_or No\_\_

**D. FEEDING TROUGHS**

1. Feeding troughs are available for the goat herd. (5pts.) Yes\_\_\_or No\_\_

2. Adequate space is around the feeding trough? (4pts.) Yes\_\_or No\_\_

3. The troughs are easy to clean and disinfect? (5pts.) Yes\_\_\_or No\_\_

4. The troughs are high enough to prevent the animals from putting their feet in the troughs or from standing in them. (7pts.) Yes\_\_or No\_\_

5. Are the feeding troughs are in disrepair? (7pts.) Explain: Yes, some of the troughs need repairing in the right field. Yes\_\_\_or No\_\_

**E. WATER TROUGHS**

1. There are water troughs available for the goat herd? (5pts.) Yes\_\_\_or No\_\_

2. Fresh water is available for the herd? (5pts.) Yes\_\_\_or No\_\_

3. The water tub is clean daily? (7pts.) Explain: Apple cider vinegar is used in the water to keep it clean. Yes\_\_or No\_\_

4. The animals can not step or fall in the water tubs? (3pts.) Yes\_\_or No\_\_

5. There is no standing water around the trough? (2pts.) Yes\_\_or No\_\_

6. Are the water troughs are in disrepair? (7pts.) Yes\_\_or No\_\_

**F. PASTURES**

1. The pastures are crossed fenced? (5pts.) Yes\_\_\_or No\_\_

2. The pastures are fertilized and limed when needed? (5pts.) Explain: They normally do soil tests, but haven't this year. Yes\_\_or No\_\_

3. The pastures are grazed at the appropriate height (5pts.) ( $\geq 3$  inches). Explain: In the process of expanding areas for grazing. Yes\_\_or No\_\_

4. The herd has access to browse areas? (1 pts.) Yes\_\_\_or No\_\_

<b>F.</b>	<b>PASTURES</b>	<b>RESPONSE</b>
5.	The stocking rate is adequate in the pastures? (5pts.) <i>Explain: <u>The grazing height is &lt;” 3”and most does have low BCS.</u></i>	Yes__or No__
6.	The herd has access to mineral blocks or loose minerals? (5pts.)	Yes__or No__
7.	Is there any debris in the pastures? (7pts.)	Yes__or No__
<b>G.</b>	<b>ANIMALS</b>	
1.	The producer has a closed herd? (3pts.)	Yes__or No__
2.	The goats appear healthy (e.g. walking around, glossy coat, social,)? (5pt.)	Yes__or No__
3.	BCS are 4.5 or higher? (5pt.)	Yes__or No__
4.	The FAMACHA scoring system is used to monitor parasitic loads in the goat herd? (5pt.)	Yes__or No__
5.	The animals are dewormed based on the FAMACHA anemia guide or the McMaster’s Floatation Test. (7pts.)	Yes__or No__
6.	The goats are structurally sound with good muscling characteristics? (3 pts.). The bucks appear to be in condition, but most of the does appear to be lean.	Yes__or No__
7.	Abscesses or lumps are not visible or can be palpated on the animals that were checked? (3pt.)	Yes__or No__
8.	The producer is aware of the proper withdrawal period for the medications that are used on his or her herd? (2pt.)	Yes__or No__
9.	The producer knows the proper areas for administering injectable medications? (5pt.)	Yes__or No__
10.	There are hazards (i.e., nails, chemicals) in the goat facility that can be dangerous to main or animals. (4pt.)	Yes__or No__
11.	The producer has established a breeding, nutrition and herd health program for the goat herd? (10pt.)	Yes__or No__
12.	The goats are identified with ear tags, microchips or collar?(3pt.)	Yes__or No__
13.	The producer has scrapie tags for his herd?(5pt.)	Yes__or No__
14.	The farm is registered under the Premise ID Program (3 pt.) NAIS? Explain: <u>Interested in program and will check with Dr. Pam Hunter to sign up on program.</u>	Yes__or No__

- | <b>G.</b> | <b>ANIMALS (cont...)</b>  | <b>RESPONSE</b>   |
|-----------|---|-------------------|
| 15.       | After, the breeding season the buck is removed from the herd and placed back in his pen. (5pt.) | Yes ___ or No ___ |
| 16.       | The male kids are weaned no later than 120 days of age? (3pt.)                                  | Yes ___ or No ___ |
| 17.       | The hoofs of animals are regularly trimmed? (5pt.)  | Yes ___ or No ___ |
| 18.       | Producer has guardian animals (0pts.)   | Yes ___ or No ___ |
| 19.       | Guardian animals are routinely seen by a veterinarian? (0pts.)                                  | Yes ___ or No ___ |

**H. RECORDS**

- |    |  |                   |
|----|--|-------------------|
| 1. | The producer has enterprise records? (10pt.)   | Yes ___ or No ___ |
| 2. | The producer keeps good production records which includes breeding and herd health records? (5pt.)     | Yes ___ or No ___ |
| 3. | The producer keeps good financial records which includes inventory records, cash receipts, etc.?(5pt.) | Yes ___ or No ___ |
| 4. | The records are legible and easy to understand. (5pts.)  | Yes ___ or No ___ |

**I. MISCELLANEOUS**

- |    |  |                   |
|----|--|-------------------|
| 1. | The producer has a disaster preparedness plan for his or (3pt.) her farm?  | Yes ___ or No ___ |
| 2. | The producer has a business plan for operating his or her business (7pts).   | Yes ___ or No ___ |
| 3. | The farm has good visual appeal? <u>Explain: Some troughs need repairing, need to allow the pastures to grow and animals BCS need to improve.</u> (5pt.) | Yes ___ or No ___ |
| 4. | The producer have a market established for their (0pts.) goats? <u>Explain: Producer sells animals to a broker.</u>                                      | Yes ___ or No ___ |

**Producers Comments:**

**Project Coordinators Comments/Recommendations:**

**Signature**\_\_\_\_\_

**Veterinarian Comments/Recommendations:**

**Signature**\_\_\_\_\_

**Producer's Signature** \_\_\_\_\_

*(Yes, I understand the comments and recommendations set forth by the project coordinator and the extension veterinarian. I agree to comply with the recommendations in order for my farm to earn the second level of the Master Goat Producer's Certification Program).*

**FARM SUMMARY**

- Max. Score: \_\_\_\_\_
- Total Score: \_\_\_\_\_
- Overall Score: \_\_\_\_\_
- Overall Management Level: \_\_\_\_\_
- Have areas of improvement been identified? Yes \_\_\_ or No \_\_\_
- Pass Inspection: Yes \_\_\_ or No \_\_\_
- Date Passed Inspection: \_\_\_\_\_
- Follow-up Inspection Required? Yes \_\_\_ or No \_\_\_
- Date Scheduled for Follow-up Visit: \_\_\_\_\_
