

Table 10 Factors That Can Hinder Adoption of Sustainable Agricultural Practices for both Production and Processing

Potential Hindering Factors	Percentage of Responses		Number Missing
	Yes	No	
Don't know where to find information	41.71	58.29	26
Can't afford practices or inputs	59.54	40.46	9
Practices too complicated or time consuming	46.44	53.56	13
No access to appropriate inputs	41.3	58.7	27
Believes all agriculture is already sustainable	46.9	53.1	30
Practices reduce yields	51.9	48.1	29
Practices reduce crop quality	46.9	53.1	30
Consumers don't care/ no market advantage	66.97	33.03	8
Farm operation is too small to make a difference	57.8	42.2	5
Adverse to change	30.28	69.72	15
