

Pre-Project Registration Form to Collect Educator Demographics

1. Name: _____
2. Address: _____

3. Phone: () - Fax: () -
4. E-mail: _____
5. County or region covered: _____
6. Job title: _____
7. Age
 - Under 21
 - 21-24
 - 25-40
 - 41-54
 - 55-62
 - Over 62
8. Level of education achieved:
 - High school
 - College
 - Post graduate
9. Area(s) of professional expertise (check all that apply)
 - Commercial Agriculture
 - Commercial Horticulture
 - Animal Husbandry
 - Pest management
 - Farm Business Management/Economics
 - Post Harvest Technology
 - Other (specify) _____
10. Commodity responsibilities (check all that apply)
 - Small fruit/berries

Pritts NESARE Professional Development Project 2010
Soil Management in Berry Crops as a Model for Management Education

- Tree Fruit
- Forage crops
- Vegetable Crops
- Dairy
- Animal Husbandry
- Natural Resources
- Maple
- Other (specify)_____

11. Have you previously had training in soil or nutrition management for the following:

- | | | | |
|--|---|---|-----------------|
| <input type="checkbox"/> Small fruit/berries | Y | N | DK (Don't know) |
| <input type="checkbox"/> Tree Fruit | Y | N | DK |
| <input type="checkbox"/> Forage crops | Y | N | DK |
| <input type="checkbox"/> Vegetable Crops | Y | N | DK |
| <input type="checkbox"/> Other (_____) | Y | N | DK |
| <input type="checkbox"/> None | Y | N | DK |

12. Have you previously had training in soil health management?

Y N DK

13. Do you feel competent in assisting commercial berry growers with interpretation of:

- | | | | |
|---|---|---|----|
| <input type="checkbox"/> soil analysis results? | Y | N | DK |
| <input type="checkbox"/> foliar analysis results? | Y | N | DK |

14. Do you feel competent in field identification of nutrient imbalances in berry crops?

Y N DK

15. Do you feel competent in recommending correction strategies for berry crop:

- | | | | |
|--|---|---|----|
| <input type="checkbox"/> Soil deficiencies | Y | N | DK |
| <input type="checkbox"/> Foliar deficiencies | Y | N | DK |
| <input type="checkbox"/> Soil health issues | Y | N | DK |
