Dear Dr. Diego Manriquez:

Manuscript ID: JDS.2025-26372.R2

Title: Air Quality Monitoring in Dairy Farms: Description of Air Quality Dynamics in a Tunnel-Ventilated Housing Barn and Milking Parlor of a Commercial Dairy Farm

I am pleased to inform you that your manuscript has been accepted for publication in the Journal of Dairy Science. We expect your uncorrected proof to be published on the *Journal of Dairy Science* website within 30 days. You should anticipate receiving a PDF proof of your final manuscript within approximately 8-10 weeks.

Please ensure that all authors of this manuscript are listed below and that each has an ORCID ([www.orcid.org](http://www.orcid.org)) associated with their account. **This information must be in our peer-review system within 24 hours of acceptance so that it can be published with the manuscript. Late ORCIDs cannot be added to manuscripts.**

Jannat, Afrin - No ORCID iD Available, Houghton, Amanda - No ORCID iD Available, Manriquez, Diego - <https://orcid.org/0000-0003-0899-2457>

Note that this journal is now open access. We are collecting open access licenses from corresponding authors through ScholarOne. A link to this license was sent to the corresponding author in a separate email. Your manuscript cannot be published until the corresponding author has submitted the completed license. Only the corresponding author needs to complete this license.

If you need assistance with this process, please contact our system administrator for help (shaunam@assoqh.org).

**All invoicing for the *Journal of Dairy Science* will be handled by Elsevier.** If you have any questions about your invoice once you receive it, please contact the American Dairy Science Association at [adsa@adsa.org](mailto:adsa@adsa.org).

**To receive the ADSA member rate for publishing (APC), at least one author must be a professional member of ADSA (<https://www.adsa.org/Membership/Benefits-of-Membership>).**

For details on rates for APC, see our FAQ page (<https://www.adsa.org/News/ArtMID/390/ArticleID/48/Journal-of-Dairy-Science174-to-Become-Open-Access-January-2022>).

Now that the manuscript has been accepted, the corresponding author has earned loyalty points toward a discounted or waived future publication in the *Journal of Dairy Science* or *JDS Communications* as long as the corresponding author is a current professional member of the American Dairy Science Association and their ORCID number is associated with both their author account in ScholarOne and their account within the ADSA membership site. Please note that only the corresponding author will receive points for a paper. Find out more about the ADSA Loyalty Rewards Program here: <https://www.adsa.org/Publications/Journal-Rewards>.

On behalf of the editors of the Journal of Dairy Science, we look forward to your continued contributions to the Journal.

Sincerely,

Dr. Bradley Heins  
Section Editor, Journal of Dairy Science
