

GRAZING FIELD DAY AND ICE CREAM SOCIAL

AT BRIAN AND CINDY KAYHART'S CHALKER FARM

Wednesday, June 26th - 12:30 p.m. - 2:30 p.m.
4188 Otter Creek Hwy., Vergennes, Vt 05491

Join us at **Chalker Farm**, a dairy and diversified livestock farm owned and operated by **Brian and Cindy Kayhart**, for a pasture walk and ice cream social. The Kayharts will share with us how they have transitioned more of their acreage to pasture and how they are utilizing management-intensive grazing principles.

Some of the recent changes include:

- * Conversion of annual cropland to perennial pasture forages
- * A new underpass to allow for the travel of cattle under Route 17
- * New laneways and other infrastructure to improve grazing efficiency

We will also discuss this year's wet weather challenges and share strategies to reduce mud and preserve pasture quality.

There is no charge for this event.
