

Rocky Mountain Seed Alliance							
GRAIN TRIALS ASSESSMENT SHEET							
PARTICIPANT NAME and LOCATION:							
Trial Varieties (list across)							
Amount of Seed Planted							
Date Planted							
Germination Date							
Heading Date							
Date of flowering (approx.)							
Harvest Date							
Crop Traits <i>choose and prioritize traits that interest you; scale of 1-5 with 1 being "low" and 5 being "high" is an easy and acceptable way to approach many of these. Think 5 star for the best rating, 1 star for low rating.</i>							
Early emergence							
Germination rate							
Plant vigor							
Tillers per plant (numbers)							
Plant height							
Color							
Lodging (5=all upright, 3=50% at 45 °, 1= 100% are at 90°)							
Rust, disease resistance							
Pest resistance							
Drought and heat resistance							
Winter hardiness (if applicable)							
Yield							
1,000 kernel weight
