Instructions to respond the capital assessment sheet (1-3)

1. Farm Physical Capital

Fill the space underlined with a response to a direct question of each category. For example, in the category of infrastructure, respond yes, or no to the existence of each item listed in your farm. Do you have facilities or electricity on the farm? Write a number in the underlined space on the response sheet. If your answer is no, write # 2 = "no." If it is yes, write # 1= "yes." or three if unsure.

CODES	Physical Capital		Response example	Physical Capital	
Infrastructure Farm size in acres? Write the code_# of infrastructure 1 = Yes 2 = No 3 = No sure	Broad-band Response 1 = Yes 2 = No	Social media Response 1 = Yes 2 = No	Infrastructure 5 Farm size (acres/ sqf)) 1 facilities/eqp (buildings, small tractors) 1 Farm Electricity 1 Roads (paved, gravel) 1 House in farm	Broad-band 1 Mobile 1 Home internet 1 Computer	Social media access 1 FaceBook 1 Texting 2 Own website other

2. Farm Natural Capital

Fill the space underlined with a response. For example, in the soil category respond to the question "do you have knowledge on soil organic matter? Write a number in the underlined space on the response sheet. If your answer is no, write # 2 = "no." If it is yes, write # 1= "yes." or three if unsure. The question in the water category is do you have these water sources? If your answer is no, write # 2 = "no." If it is yes, write # 1= "yes." A similar question for the Geology category will apply with responses 1-Yes, 2=No and 3= No sure.

CODES	Natural Capita	ı	Response example	Natural Capital	
Soil Response 1 = Yes 2 = No 3 = No sure	Water Response 1 = Yes 2 = No	Geology Response 1 = Yes 2 = No 3 = No sure	Soil Knowledge Org, Matter Soil management (test) Bio inputs use Organic fertilizing	Water Well Public source Ponds, Other	Geology with Hills Flat Rocky Deep OM soil Erosion practices

You are going from (1) a positive affirmation to (5) a negative affirmation. Select your current skills and knowledge to manage financial and market situations. How will you code your skills and knowledge for each financial and market category below? Respond 1=yes or 2=No for the income category.

CODES	Economic capital		Response example	Economic capital	
Financial 1 = Very good/skills/ understanding 2 = Good 3 = Neutral 4 = Barely 5—Not at all	Market 1 = Very good/skills/ understanding 2 = Good 3 = Neutral 4 = Barely 5—Not at all	Income Response 1 = Yes 2 = No	Financial Skills managing financial tools Income projections Production cost Risk management	Market Contracts Pricing products Onsite markets Online markets Advertising Market strategies	Income From farming Outside job Side business Other income
