

## SHARE YOUR HARVEST

### ATTENTION JESSAMINE COUNTY FARMERS

### DO YOU HAVE EXTRA FRUITS AND VEGGIES? SHARE THE BOUNTY!

Did you know that more than 10% of Jessamine County residents struggle to afford nutritious food even though excess fruits and vegetables often go to waste? With the WiN-WiN program, you can easily donate extra produce from your **farm** or **garden** to support Jessamine County families all season long.

**From April 26th through October 27th volunteers from Glean Kentucky will pick up your excess produce**

#### Why Donate Excess Produce?

- It provides an outlet for produce that can't be sold due to surplus, unmarketability, imperfections, weather, or shortages of time and staff.
- You save time and resources by letting us harvest and transport produce for you.
- You may be eligible for a [Federal Enhanced Tax Deduction](#) or [Noncash Charitable Contributions Federal Tax Deduction](#).
- You can feel safe donating excess fresh produce because **federal** and **state** laws protect your donation.

**TOGETHER, WE CAN REDUCE  
WASTE AND FEED OUR  
COMMUNITY!**
