GROWING ORGANIC EXPERTISE IN IOWA -- FEBRUARY SERIES

**GROWING ORGANIC
EXPERTISE IN IOWA**

IOA is delivering our 2nd round of the "Growing Organic Expertise in Iowa" workshop series in February. This full-

day workshop (9 a.m. to 4 p.m.) will provide information about the National Organic Program, organic certification and transition, organic standards and production practices and insight into current organic market trends and demands.

The target audience for the workshop includes: NRCS, Extension, IDALS, FSA, SWCD, RC&D, County Conservation, crop insurance agents, farm lenders, farming organizations, farmers, agriculture educators and students, and others interested in learning more about organic opportunities. Last October we reached 65 participants at four different workshops in Atlantic, Calmar, Cedar Rapids and Webster City.
