Dear Caroline Paras,

Thank you for applying to present at the Global Agritourism Conference which takes place from 23rd to 25th June 2026. On behalf of the organising committee, I am delighted to confirm that you have been selected to present, through a highly competitive process. Congratulations!

Please see the details of your accepted presentation below.

If you wish to accept this offer to present, we require that you book a ticket to attend the conference by **Saturday 10th January 2026**. After this time if we do not hear from you, your presentation slot will be offered to another applicant.

Please note that as previously outlined in the application process, presenters must purchase their conference ticket and pay for their own travel to Aberdeen.

Once you have booked to attend and accepted your place, we will be in touch in January to

discuss the breakout session theme you will be part of.

You can buy discounted early bird tickets until 10th January using this link: [Early bird presenter tickets](#) (please note this booking link is personalised for you and can't be shared).

Please note, the team will not be available for queries over the Christmas period, but will be answering emails from 5th January.

We wish you a very happy festive season and happy and healthy 2026.

Kind Regards,
Global Agritourism Conference Secretariat
