

## June 2024 Precision Ag Demo Day Evaluation

**Q1.** How much, if at all, did the Precision Ag Demo Day increase your understanding of the following topics?

	Did not increase	Increased a little	Increased some	Increased a lot
a. Using sap testing to guide fertilizer application.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
b. Using drones to apply fertilizer.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
c. Using drones to identify and spray weeds.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
d. Preventing nitrogen loss in tile drainage.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
e. Using lime to change soil pH.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

**Q2.** Please list one or more ideas you learned at the Precision Ag Demo Day that you plan to put into action:

**Q3.** How interested are you in learning more about the following topics?

	Not interested	Somewhat interested	Very interested
a. Herbicide resistance	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
b. Biological seed treatments	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
c. Third-party certifications (for example, Salmon-Safe, Farmed Smart, Food Alliance, Regenified)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
d. Regenerative farming practices	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
e. Transitioning to organic wheat production	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
f. Reverse osmosis water systems	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
g. Carbon markets and payments for carbon sequestration	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

**Q4.** What precision and other agricultural topics do you want to learn more about?

**Q5.** Have you ever used sap testing to guide fertilizer application?

- Yes   
  No   
  Don't know

**Q6.** How interested are you in using sap testing to guide fertilizer application?

- Not at all interested   
  Somewhat interested   
  Very interested   
  Not applicable

**Q7.** Overall, how useful was the information you received at the Precision Ag Demo Day?

- Not at all useful   
  Somewhat useful   
  Very useful

**Q8.** Please help us meet our USDA reporting requirements by telling us if you fall into any of the following categories.

*Please select all that apply.*

- Beginning farmer or rancher (farming or ranching for less than 11 years)
- Veteran
- Limited-resource farmer or rancher
- American Indian/Alaskan Native, Asian, Black/African American, or Native Hawaiian/other Pacific Islander
- Hispanic, Latino, or Spanish origin
- Prefer not to answer
