

Katahdin Sheep

Pasture Walk

Tuesday August 16th, 2022

6:00pm till Dark

Join us as we conduct a pasture walk at LeeDer Farms in Hiddenite, NC and discuss grazing sheep in a native warm season grass (NWSG) pasture as part of internal parasite management. LeeDer Farms has a forage based Katahdin sheep flock and has been raising sheep for 7 years. Overall farm management will be covered during the pasture walk and discussion and feedback from participants are welcomed.
