Investigating the Addition of Clay to Feedstocks for Increased Nutrient Density and Carbon Stabilization in Compost

Midnight's Farm

David Bill

Project start date: April 1 2022 for a two year project		Apr 202	2 M	ay	Jul	Aug	Se	0	Nov	Dec 202	2 Feb	b	Mar	Apr	Jun	J	ul Aı	Jg	Sep	Nov	De	c 2023	Feb
Ojective Description	Start	F F F	13 27 F F	F F	8 22 F F	5 19 2 F F F	16 30 F F	F F	5 11 2: F F	F F F	20 3 F F	F F	17 31 1 F F	F F F	26 9 . F F	5 7 2	F F F	F F	5 29 13	F F F	8 22 F F	F F F	F F F
Start Date	4/1/22	•																					
Build three experimental bins (Research objective 4)	4/1/22																						
Compost first trial (Research Objective 1)	4/4/22																						
Build three additional experimental bins (Research Objective 4)	6/15/22																						
Compost second trial (Research Objective 1)	7/15/22																						
Review compost lab test results (Research Objective 1)	11/12/22																						
Experiment adding clay "at scale" (Research Objective 2) Formulate Growing Media and conduct Lettuce trail (Research	4/1/22																						
Objective 3)	7/18/22																						
Review lettuce trail test results (Research Objective 3)	11/12/22																			_			
Video planning, filming and editing (Education Objective 1)	4/4/22																						
Social Media Posts (Education Objective 1) Present at San Juan Island Ag Summit 2023 (Education	4/1/22																						
Objective 1 &2)	2/1/23																						
Present at Tilth Conference 2023 (Education Objective 1 & 2) Host Field Day with SJC WSU Extension (Education Objective 1	11/1/23																						
& 3) Engage Farm Interns in Research and Findings (Education	4/1/23																						
Objective 3) Draft Article and submit to publications (Education Objective 1	4/1/22																						
& 2) Create Presentation and Slide Deck (Education Objective 1 &	12/1/22																						
2)	11/1/22																						
Present Findings high school students (Education Objective 3)	10/1/22																						
Midnight's Farm Newsletter featuring project (Education Objective 1)	8/1/22																						
Present Findings to Climate Farm School (Education Objective 3)	5/1/23																						
Present Findings to Climate Farm School (Education Objective 3)	9/25/23
