To Whom it May Concern:

NETWorks Cooperative Ministry supports the application of Concrete Jungle for the SARE CFP Food Loss and Waste Training and Technical Assistance grant.

Our mission is to respond with the hospitality of Christ to the food and financial needs of our neighbors and to partner with them to find long-term solutions to poverty.

Concrete Jungle provides healthy produce that is critical to the families we serve. We are eager to work with them to receive more imperfect, Georgia grown produce through their program, "Upcycling On-Farm Food Loss Through Produce Buyers Club Gleaning Initiative and Produce Education and Enjoyment Loop (PEEL) Outreach Program".

Sincerely,

Stephanie Suggs  
Program Director
