

# NATIVE PERENNIAL FLORAL WORKSHOP

Join us for a floral design workshop  
featuring native perennials!

Learn about the species and varieties that  
Three Creeks Farm and Cultivate Co. are  
trialing as part of our on-farm research  
project.

Participate in a design workshop with  
Sugarberry Blooms - using locally grown,  
seasonal flowers and foliage!

2 to 4 p.m.  
Sunday, August 25th  
at Cultivate Co.  
10251 Smith Hatchery Rd  
Columbia, MO

Space is limited - [register online at threecreeksmo.com/events](https://threecreeksmo.com/events)

This event is supported by NC-SARE.
