<i>Please click on your response:</i>	Strongly disagree	Somewhat disagree	Neither agree nor disagree	Somewhat agree	Strongly agree
1. SWD is a concern for my farm.					
2. We pursue SWD surveillance.					
3. I use insecticides to control SWD.					
4. I am concerned about the development of insecticide resistance in SWD.					
5. I am concerned about the impact of traditional SWD pesticides on non-target organisms.					
6. I am concerned about the safety of traditional SWD insecticides for humans.					
7. Yeast ATSBs could help control SWD.					
8. I would be willing to use yeast ATSB insecticides if they were shown to be safe and effective.					
9. If it is shown to be safe and effective, I would be willing to use heat-killed genetically modified baker's yeast as an adult mosquito insecticide delivered in a sugar bait.					
10. This webinar increased my knowledge, awareness, and/or skills about sustainable agricultural practices, strategies, and approaches.					
11. I would like to use this knowledge in my farming or in educational programs.					
12. I will share some aspect of this learning event with other farmers or educators.
