

JOIN OUR *NEW* SYSTEMS 360° WORKING GROUP PROGRAM

WHAT IS IT?

- **A Statewide Extension Program**- This program is designed to educate producers on sustainable land, animal, and marketing strategies in their operations.
- **Learn From One Another**- This program uses peer-to-peer learning among producers, Extension, and industry to improve understanding on-farm management.
- **Hands-on Learning** - Visit producer farms, Auburn research units, and industry partners to view and discuss management strategies in practice.
