

Train-the-Trainer 2021 RANGELAND MONITORING WORKSHOP

DESIGNING, INTERPRETING, AND APPLYING RANGELAND MONITORING TO MANAGEMENT

June 3-4, 2021

Caldwell Research and Extension Center

If you want to hone in on your rangeland monitoring skills and learn how to navigate new rangeland monitoring technologies, please join us! All skill levels welcome.

The training includes classroom learning opportunities and field monitoring. A laptop is required. Also, we will be in the field collecting data on Day 1 so dress appropriately and don't forget your sunscreen.

A hotel stipend is available upon request. Meals will be provided during the workshop.
