Your Name

Your answer

Farm Name

Your answer

Contact information (email and phone, please)

Your answer

Do you prefer to be reached by phone call, text or email?

Your answer

Farm location (street address, town and county)

Your answer

What does your farm produce? (Note: the pilot is only open to farms producing diversified veggies or pastured livestock/dairy)

Your answer

What is your farm's estimated annual gross sales (rounded to the thousand)?

Your answer

Please describe your farm's scale (acres in production, number of livestock)

Your answer

Do you have at least 3 fields (separately managed areas) that can be monitored for this project?

Yes

No

How long has your farm been in business?

Your answer

Do you intend to remain in business for at least the next five years?

- Yes
- No
- Maybe

Please describe why you are interested in being part of the Soil Health Network.

Your answer

Please describe your current farm management practices related to soil health.

Your answer

Please indicate that you understand the following program requirements, and can commit to all of the following in 2021:

- Participating in two field visits, one in spring and one in fall
- Joining a launch meeting the week of March 29th
- Attending at least 2 out of 3 annual cohort gatherings (most will be on Zoom)
- Keeping records of your management practices via MFT-provided spreadsheet or software
- Conducting a fall soil test (with MFT support in 2021, solo in future years)

Provided MFT continues to secure funding for this program, are you willing to continue to participate for at least 3 years?

- Yes
- No
- Maybe
- Other:

Please select all of the dates/times you are available for a launch meeting.

- Tuesday March 30 9-10:30
- Tuesday March 30 10:30-12
- Tuesday March 30 4-5:30
- Thursday April 1 9-10:30
- Thursday April 1 10:30-12
- Thursday April 1 12-1:30
- Thursday April 1 1:30-3
- Thursday April 1 3-4:30
- Thursday April 1 4:30-6
