MAY

Introduction to Robotics

May 20th - 24th • 9:00 am - 12:00 pm

Grades: 3rd - 8th

Instructors: Techknow Difficulties Robotics Team

Build your own robot! Campers will engineer, build and program a robot. Learn how to make your robot do more than ever before. Instructors will push your ingenuity to the limits! There will be a tournament on Friday to test your skills against the other campers.

Create It. Build It. Test It Camp Advanced Lego Camp

May 20th - 24th • 1:00 pm - 4:00 pm

Grades: 3rd - 8th

Instructors: Techknow Difficulties Robotics Team

This camp is for kids that are already naturally gifted creators. Then they get the added inspiration from our instructors. They dive into our massive collection of LEGO® parts. While they build elaborate objects, structures and vehicles, they explore fundamental principles of engineering and physics. They also learn to collaborate and create without fear of mistake.

Science of Horses Beginning Level Camp

May 20th - 24th • 1:00 pm - 4:00 pm

Grades: 1st - 8th

Instructor: Mary Molliconi

This camp is for beginner students with little horse experience but who express an interest in horses and learning more about them. Sessions include grooming, equipment, riding time, anatomy, nutrition, and a bunch of horse science fun. Activities and programs also teach responsibility, cooperation, courage, and self-esteem, which are lifelong skills. This camp is most suitable for campers ages 6-9 but all ages are welcome.

Summer Camp Cancellations/Refunds:

Cancellations made 30 days in advance of the first day of the camp session are eligible for a full refund. Cancellations made 10 days before the first day of the camp session are eligible for a 50% credit voucher. Cancellations made less than 10 days before the start of the camp session will not be refunded. Students removed from a camp for disciplinary reasons are not eligible for a refund. The Edgerton Explorit Center reserves the right to vary its programs and to reschedule or cancel an event if it is undersubscribed or for any other reason. The Edgerton Explorit Center aims to give participants at least one weeks' notice if an event is rescheduled or canceled and give a full refund for canceled events.

Fun For The Whole Family

Open 7 days a week

Spark your curiosity by visiting the Edgerton Explorit Center. Open 7 days a week, our highly engaging, interactive, hands-on activities will give you hours of family fun.

Explorit Zone

Have hours of fun exploring hands-on games, displays and activities that challenge the body and the mind! Exhibits are updated regularly to ensure there are new and exciting things to explore during each visit!

Discover-It Zone

A lower-level continuation of the Explorit Zone for a second floor of hands-on fun!

Get STEAMED Mini Golf

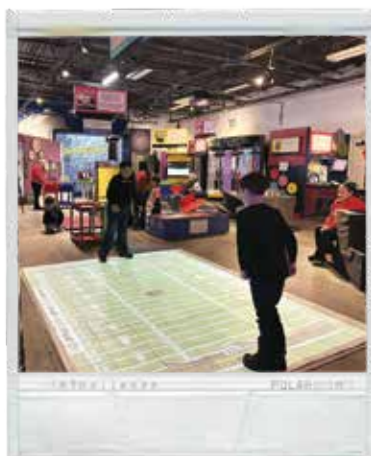

Mini golf nine-hole science-themed miniature golf course with a twist. Test your science skills by playing our Get STEAMED miniature golf course. Each hole has science questions that allow players to take strokes off their score if they get them correct. Open weather permitting.

Birthday Parties

Celebrate your birthday with the Edgerton Explorit Center. Birthdays include a private party room, personalized cake, ice cream and drinks, a hands-on science lab, and goody bags for all the guests. The birthday guest even gets a birthday message on our electronic sign! Great stress-free way to celebrate your child's special day!

Visitors welcome 7 days a week.

Groups of 10 or more and birthday parties require reservations. Contact the Edgerton Explorit Center at 402-694-4032 or email us at mary@edgerton.org if you have any questions or need additional information.

Become a member today!
