

Urban Agriculture Certificate Online Program

Learn How Ag Can Improve Gary!

Are you:

- An urban farmer or market gardener?
- A school or community garden leader?
- An urban homesteader?
- An educator, organizer or leader in your community?

Consider pursuing an Urban Agriculture Certificate! It's a great opportunity to gain experience and build connections to help expand and sustain your urban farm or garden.

All class participants will receive registration to the Indiana Small Farm Conference, an additional opportunity to grow your urban farming knowledge and connections.

Classes meet from 6 to 8 p.m. (CST) every Wednesday from Jan. 20 to April 7, 2021. Don't wait to register, as spaces are limited!

For more information on schedule, content or registration, please call 219-755-3240 or email lbodiefe@purdue.edu.
