Reduce my use of purchased off-farm inputs	Yes	No	NA
Increase my networking with other producers	Yes	No	NA
Incorporate value-added into some aspect of my operation	Yes	No	NA

Professionals – In the next year I am likely to use some aspect of this project

In an education program that I plan or participate in	Yes	No	NA
As a resource I will make available to producers	Yes	No	NA
As a professional development tool for my peers	Yes	No	NA
To improve advice/counsel I give to producers	Yes	No	NA

Professionals – Please describe how you are likely to use some aspect of this project for an educational purpose?

We will use the information to both improve existing programming and design new programming to help urban farmers and home growers to increase their access to healthy, local food in the Denver, CO area. We will teach workshops and have peer-led educational opportunities in order to spread the information to as many people in the Denver area as possible, with a focus on underserved urban populations who may not otherwise have access to resources.
