

# Whiskey Tasting Scorecard

Each whiskey will be scored out of a total score of 20 points. 5 on the nose, 10 on the palate, 5 on the finish.

How to taste: Raise glass to rest on top lip under the nose. Open your mouth. Tilt glass towards nose and inhale through nose with mouth open. Do not "sniff" you will fry your nose with the alcohol. Try nosing and tasting neat at first then add water to desired level.

1) Nose:        /5

Palate:            /10

Finish:      / 5

Total:        /20

2) Nose: \_\_\_\_/5

Palate:            /10

Finish:      / 5

Total:        /20
