

Figure 3. Total overland P loss (kg ha⁻¹) from lysimeter plots (2012-15). * indicates significant difference at $P \leq 0.01$.

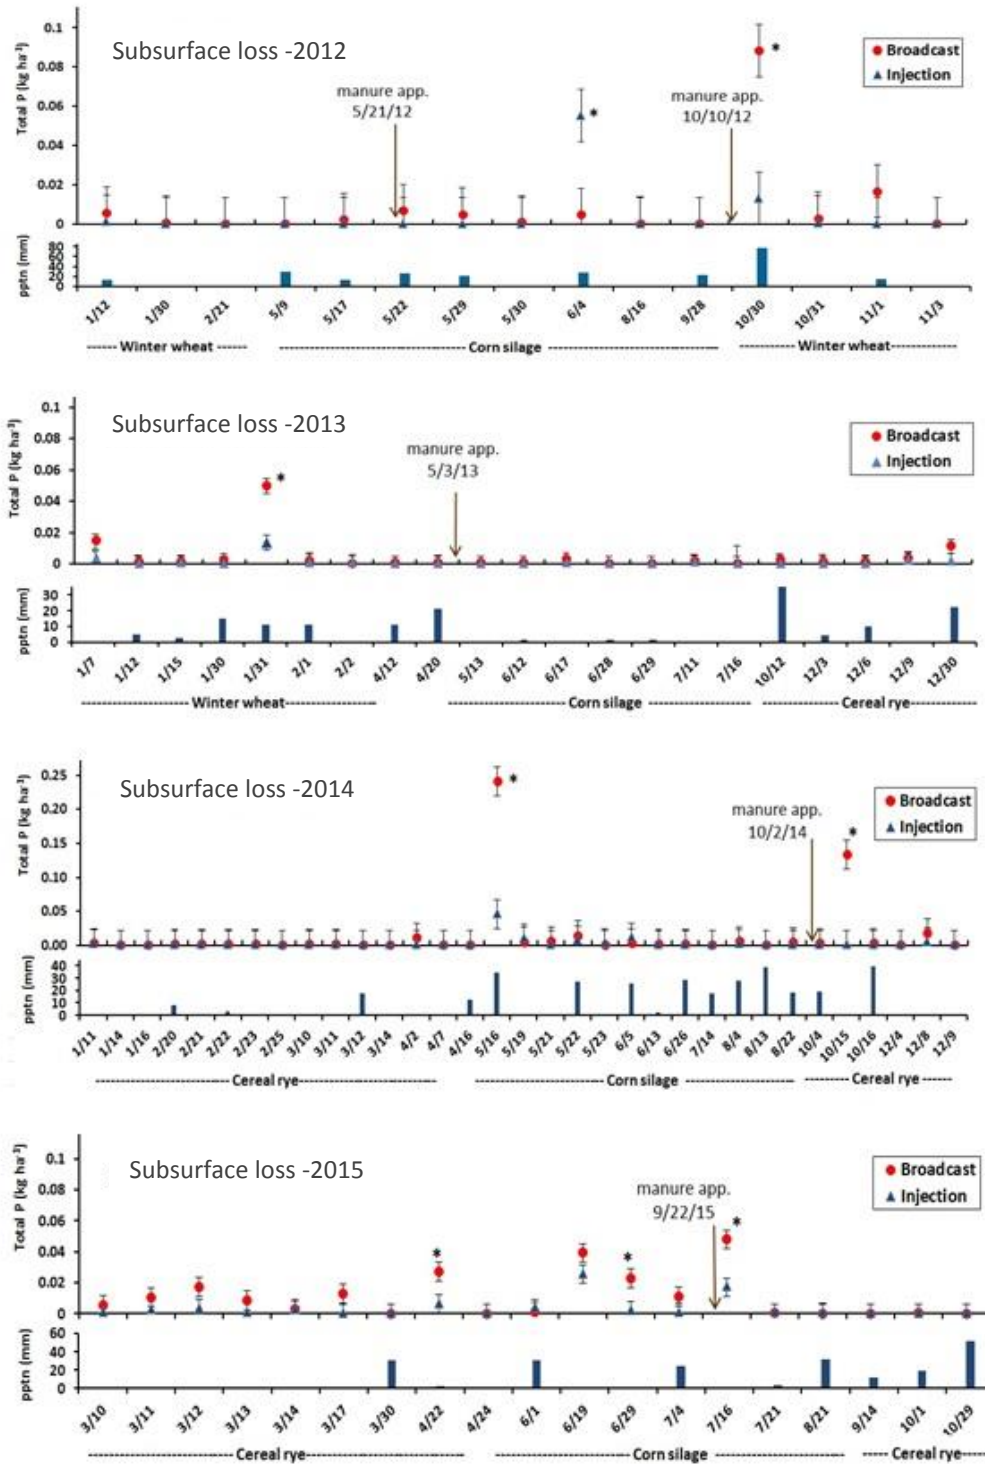

Figure 4. Total subsurface P loss (kg ha⁻¹) from lysimeter plots (2012-15). * indicates significant difference at $P \leq 0.01$.

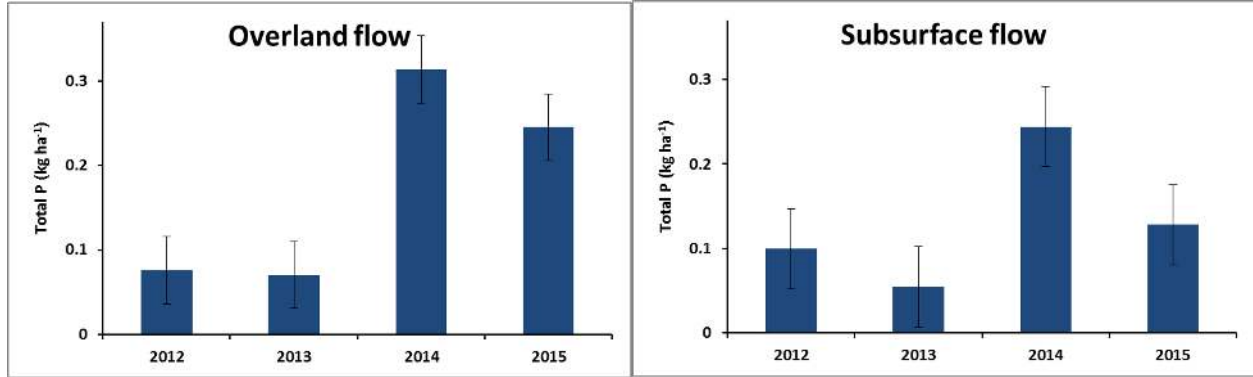

Figure 5. Total annual P loss in the overland and subsurface flows. Bars are standard error.

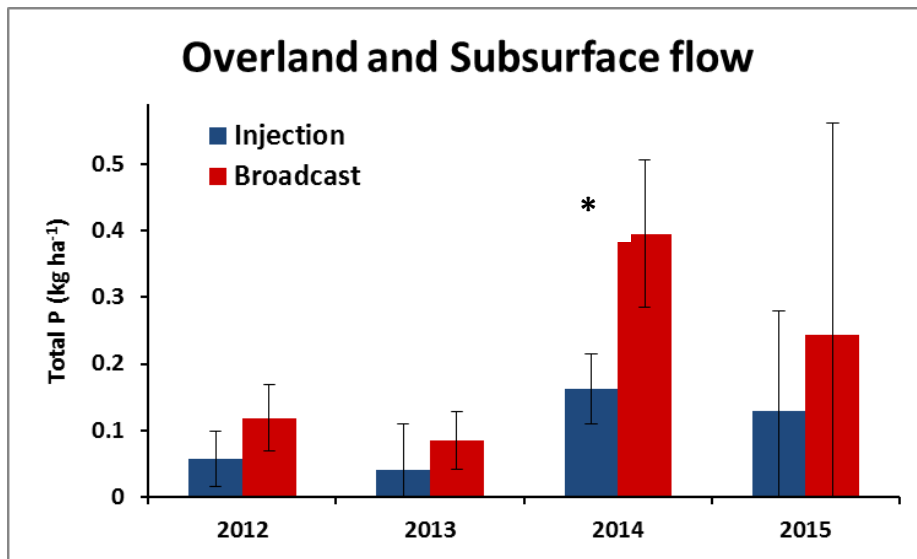

Figure 6. Total annual P loss in both overland and subsurface flows. Bars are standard error.
