

Malting Barley Twilight Meeting:

On Thursday, July 17, 2014 Buffalo county extension will be holding a twilight meeting at Bragger Family Farm malting barley plot in the Town of Montana. The meeting will begin at 7:00 pm and will be at the top of the Cooke Valley Road dugway, just off of County Road X.

Topics will be, malting barley quality parameters, yields in 2013, new varieties evaluated in 2014, and managing and evaluating varieties for Fusarium Head Blight. We will also have a discussion on cover crops that we will be establishing at the site following barley harvest.

If you have questions contact Joe Bragger at 715-985-2314 or Carl Duley at 608-685-6256 or carl.duley@ces.uwex.edu. This plot and program are made possible through a SARE Farmer Grant.
