New Marketing-U Session

A follow up session to the Marketing-U course that was held last January in Troy is scheduled for December 7 at the Lakeshore Farm Inn in Northwood. Marketing-U was an in-depth marketing course that focused specifically on developing marketing plans for value added agricultural products.

The upcoming session is open to the public and will feature some of the original participants of the January course who will share their new marketing plans with the group. Those in attendance will benefit from hearing these business stories and learning from the experiences of others. Gregory Franklin, a marketing consultant and one of the instructors of the original course, will facilitate the discussion.

The program is scheduled from 9:30 am to 4 pm. Registration fee is \$15/person. Call John Porter at UNH Cooperative Extension for details or to register, 225-5505.
