Watermelon	232	Illinois	Shelley Buffalo	Saved seeds and growing again in 2021.
Bean	5363	Potawatomi	Shelley Buffalo	Deer predation. Growing at SSE in 2021.
Bean	3565	Tonawanda, Seneca	Becky Webster	Harvested 1.5 pounds. This bean and the Hyote bean are the same bean. It is an Oneida bean. We will be sharing seeds with the community.
Bean	5249	Hyote	Becky Webster	Harvested 1.5 pounds. This bean and the Tonawanda bean are the same bean. It is an Oneida bean. We will be sharing seeds with the community.
Bean	5316	Pinto, Ga Ga Hut	Becky Webster	Harvested 2 pounds. This bean also has a different name: De gag ha. It is a Seneca bean. We will be sharing seeds with the community.
Bean	5382	Seneca Indian Cornfield	Becky Webster	This bean was not very productive. We harvested a couple hundred seeds. We grew her with sunflowers. I'm not sure if she didn't like growing with the sunflowers. We will be sharing seeds with the community.
Melon	540	Seneca Bender	Becky Webster	They produced a fair amount of fruit. We will be sharing seeds with the community.
Tobacco	1	Iroquois	Becky Webster	Thinned them out to 15 healthy plants and lots of seed heads. We will be sharing seeds with the community.
Squash	5505	Seneca	Becky Webster	This turned out to be a very productive zucchini. I gave away a lot of squash but did not save any seeds.
Bean	5126	Seneca Stripe	Becky Webster	Harvested 3 pounds. We will be sharing seeds with the community.
Bean	5304	Cornplanter Purple	Becky Webster	Harvested 1.5 pounds. This bean also has a different name, Burnt House Village. However, in discussing this seed with SteveMcComber and observing her growth, the seeds were not true to type. The pods were in different shapes and sizes and some were even different colors. We will be sharing the seeds for eating.
Bean	3564	Six Nation, Iroquois	Becky Webster	This bean was not very productive. We harvested less than a pound. We will be sharing seeds with the community.
Corn	990	Osage Brown	Jessika Greendeer	Saved seeds and shared with Eartha Borer-Bell for 2021 SARE grant.
Corn	982	Bear Island Chippewa	Jessika Greendeer	Deer predation. Saved seeds and growing again at Dream of Wild Health.
