

Grants and Education to Advance  
Innovations in Sustainable Agriculture

## We Support Local Animal Fiber Producers

Gwendolyn Hustvedt (right), with Texas State University, speaks with Texas fiber producer Sue Ellen Stavrand about marketing her fiber products using sustainability based labeling. Through a Southern SARE grant, Gwendolyn is helping producers develop strategies to market local fiber produced using sustainable ag methods.

### Interested in Our Grants?

Our **Producer Grants** are now available. Up to \$10,000 for individual farmers or \$15,000 for farmer organizations are available to further sustainable ag efforts on your farm.

**Application deadline is Nov. 15, 2011.**

**Visit <http://www.southernsare.org> to apply**
