

AGFRP: Managing Impacts on the Farm from Flood Water

June 2, 2022

Presented by ASAP's LFC and NC Extension's Craig Mauney at Gaining Ground Farm

Number of Participants: 12

Number of Survey Responses: 11

Response Rate: 92%

Did you learn anything new about best practices, tools, and/or resources related to production, specifically managing impacts of flooding on farms?

Yes, I learned a lot	Yes, I learned some	No, I did not learn much
9 82%	2 18%	0 0%

How likely are you to implement the things you learned at this workshop on your farm?

Very likely	Somewhat likely	Not at all likely	N/A
8 73%	3 27%	0 0%	0 0%

How useful did you find this workshop?

Very useful	Somewhat useful	Not at all useful
9 82%	2 18%	0 0%

Comments and suggestions:

- Craig is awesome! Thank you
- Please, share with us the presentation.
- Great supply of resources.
- Good job, we love all the information Craigy Mauney provided us with.
- Keep up the awesome work! Loved the flowing Q+A format
- Good job Craig, very informative

- Loved it, very informative. Perhaps quickly explaining some of the acronyms (and terms/jargon) being thrown around (GAP, anaerobic, aerobic)
- Craig is very knowledgeable and fun to learn with!

Gender:

Man	Nonbinary	Woman	Prefer to self-describe
6 67%	0 0%	3 33%	0 0%

Race/Ethnicity:

Asian / Asian American	Black / African American	Hispanic / Latino	Middle Eastern / North African	Native American / Alaska Native	Native Hawaiian / Pacific Islander	White / European Origin	Prefer to Self- Describe
0 0%	1 11%	0 0%	1 11%	0 0%	0 0%	7 78%	0 0%

Quotes and stories gathered by Mallory:

- Stories about who will continue the farm from older generations.
- Questions like: What would you do differently knowing what you know now? Which crops would you depend on?
- “ASAP helped sponsor leasing more land, we’re moving more towards animals.”
- “We’re sitting here today, but this time last week we were being flooded again.”
- “This is the first year I’m giving up tailgate markets. We don’t have time. We need to educate folks to come to us, our farm stand at our farm.”
- “A new neighborhood just came up beside us, so water just flows straight down to us.”
