

THANK YOU!

FRESH START FOOD CART

Your work as a Community Food Ambassador made a DIFFERENCE!

With the help of Community Food Ambassadors, this year the mobile market sold an estimated 2000 more pounds of fresh, local fruits and vegetables than last year!

You made the market a better place with your ideas, raffles, market support, and dedicated encouragement and communication with your neighbors!

You helped us to engage almost 3 times more customers than in 2019!

"I'm happy" "I love your tomatoes!" "Love it" "The ladies/volunteers very helpful and polite!" "Keep up the great work!" "Very nice!" "Thanks for coming" "I'm happy you are here" "Come again!" "Keep coming year round" "Good job" -great reviews from your neighbors on our recent surveys

Together we were able to make over 3 times more sales with EBT/SNAP and the Market Match Discount than in 2019, making healthy food more affordable to your neighbors!

You helped over \$10,000 stay in our local farm economy, supporting over 20 New American farmers and their families in the area!

We hope you stay in touch, and let us know what we can do to make the market even better next year! Email lwitri@refugeesuccess.org with questions or comments
