The Lands at Hillside Farms is a nonprofit, farm-based educational organization located on a historic 19th century dairy farm. They milk approximately 60 Jerseys and Holsteins, bottle their milk on the farm, and make butter and ice cream. The Lands at Hillside Farms is the only fluid milk processor in Luzerne County, with most of their "Hillside Gold" milk & value-added products sold on-farm at the Dairy Store, in business for over 30 years.
