

**Pasture Walk and Farm Tour-SE Project Grass
Sheep as a Management Tool for Christmas Tree Producers
Thursday, July 26th 2007 7 pm
Freymoyer Tree Farm, 3006 Mountain Road, Hamburg, PA 19526**

The Freymoyer Farm is a fourth-generation Christmas tree farm, located in northern Berks County. Jeremy Freymoyer, along with Mike Hartman, a lamb and meat goat producer, has received a Sustainable Agriculture Research and Education (SARE) grant to research the use sheep as a means to control grass and weed competition in Christmas tree fields. Mr. Hartman will lead a tour of his rotational grazing system for goats and sheep on an adjacent farm.
