

We made presentations at a number of professional meetings including at least the following:

- Eastern Shore Vegetable Growers Annual Meeting
- Western Maryland Annual Growers Meeting
- Maryland Organic Food and Farmers Association Annual Meeting
- New Jersey Annual Growers Meeting
- Wye Field Day - University of Maryland
- Workshop at annual statewide Future Harvest Festival

We did not publish any articles; however cooperating extension agent Bob rouse did incorporate information into his write-ups/work-ups on the potential and practice of annual strawberry production.

12. Please include 2-3 slides or photographs of your project. Please include clear information describing the slides or photographs.

We are looking for pictures and will forward them.
