

# FIELD DAY & VINEYARD TOUR: CERTIFIED ORGANIC IDAHO TABLE GRAPES

## ROCKY FENCE VINEYARD

*3770 FULLER ROAD, EMMETT, IDAHO*  
**SATURDAY, SEPTEMBER 20 FROM 1-3 PM**

Join grower Mike Medes and University of Idaho Extension Faculty for a tour and hands-on demonstration of the ongoing Western SARE funded project: *A Multi-faceted Approach to Managing Powdery Mildew on Organic Table Grapes in Southwest Idaho.*

Refreshments will be provided.  
RSVP appreciated: **208-459-6003**

### Project Highlights:

- Researching recommendations for Idaho
- Trellising systems and pruning strategies for optimal air flow and operator access
- Preventative treatments
- Scouting and early detection
- Using disease forecasting models
- Timing of spray treatments with organically approved materials
- Exploring the use of composts and compost teas in fertility, disease control
