## Post-Training Survey – October 2, 2009

Please circle the number that most accurately reflects what you know after the training.

### 1. How to make biodiesel: equipment, safety, cost, and disposal

I know nothing at this point	I know a little about this topic	I know a lot
1	2	3
		4
		5

### 2. How to advise clients who are considering a biodiesel-related business enterprise.

I know nothing at this point	I know a little about this topic	I know a lot
1	2	3
		4
		5

### 3. Potential soil and water impacts from biofuel crop production

I know nothing at this point	I know a little about this topic	I know a lot
1	2	3
		4
		5

### 4. What types of renewable energy projects are succeeding best on small farms

I know nothing at this point	I know a little about this topic	I know a lot
1	2	3
		4
		5

### 5. Where and how to get technical assistance for energy projects

I know nothing at this point	I know a little about this topic	I know a lot
1	2	3
		4
		5

### 6. How to get grants, loans, rebates, and tax incentives for energy projects

I know nothing at this point	I know a little about this topic	I know a lot
1	2	3
		4
		5

### 7. How to get energy-related networking and mentoring for my own career advancement

I know nothing at this point	I know a little about this topic	I know a lot
1	2	3
		4
		5

### 8. Highly cost-effective energy-saving measures that really work for farms

I know nothing at this point	I know a little about this topic	I know a lot
1	2	3
		4
		5

### 9. Farm energy audits: what they are, how to get them, what they accomplish

I know nothing at this point	I know a little about this topic	I know a lot
1	2	3
		4
		5

### 10. How to work with utilities on renewable energy and energy efficiency projects

I know nothing at this point	I know a little about this topic	I know a lot
1	2	3
		4
		5

### 11. Photovoltaics: how it works, ballpark economics, agricultural uses

I know nothing at this point	I know a little about this topic	I know a lot
1	2	3
		4
		5

### 12. Solar water-heating: how it works, ballpark economics, agricultural uses

I know nothing at this point	I know a little about this topic	I know a lot
1	2	3
		4
		5

### 13. Anaerobic digesters: how they work, ballpark economics, maintaining and managing them

I know nothing at this point	I know a little about this topic	I know a lot
1	2	3
		4
		5
