Sponsored by: NC Cooperative Extension
and Southern Region Risk Management
Education Center

Local, conventional, organic, creative, traditional, alternative...what brings them all together? Our consumers desire to get out on the farm and have an enjoyable experience with friends and family while buying and supporting our local farmers. If you have or wish to incorporate Agritourism activities into your farm then this conference is for you. The Business Side of Agritourism is packed with experts from across the state as well as neighbors that have already incorporated Agritourism into their farm. Come spend the day with us and learn what you need to know about legal regulations and new ideas that will benefit your farm and agritourism business.
