**Sustainable Agriculture Research and Education (SARE) Program**

Progress Report Year: 2011

Project Title: Organic Slot Farming

Project Number: FNC10-812, 2011

Producer/Project Leader: Rachel Jefferson

Address: 431 Greeley Avenue

City, State Zip Code: Kansas City, Kansas 66101

Phone: 913-206-0047

E-mail: calrae@live.com

The drawing on the left is the current slot method; the drawing on the right is the future angled slot method. Notice how the V-Shaped ditch in the angled slot method allows for greater root movement in the first critical stages of plant growth.
