

EASTERN NAVAJO CATTLE HERD IMPROVEMENT SURVEY

1. Do you think this project would benefit your tribal ranch operation?
2. Are you willing to change your ranch practices to introduce a pre-weaning program with your market calves?
3. Are you interested in doing such management project on your own for your tribal ranch?
4. Would you be interest in pooling together your calves to sell at a consignment sale with a calf vaccination program in place like pre-weaning practices?
5. What type of workshops you would like to see in the future?
