Dear Mrs. Jensen,

I am writing this letter in regards to my Western Sustainable Agriculture Research and Education grant award FW10-060 title; Eastern Navajo Cattle Herd Improvement. First, I want to thank WSARE for the opportunity to carry out this project. It has made a really important difference on our tribal ranches and the rest of the ranchers involved with the Eastern Navajo Cattle Grower.

Second, I am submitting an annual progress report for fiscal year 2011 and report on the progress we have made so far. Attach is my annual progress report. Here is general information on the grant award;
