5. If you were to need small wind education again, would you come back to another of these workshops?
 1. No, definitely not
 2. No, I don't think so
 3. Yes, I think so
 4. Yes, definitely

Average respondent rating: 3

Any other comments?

- This content is what I have been asking for. But I will never teach this material.
- Great workshop. The material is not for the lazy agent. In order to teach this, I would really need to study and spend time learning about wind
- Good material, but I don't think I could teach this
- I didn't know there was so much to learn about wind and energy.
- I liked the needs assessment exercise.
