

Reiser Ranch Jay & Krista Reiser Washburn, ND July 30th, 2012 1:00 p.m.

Please join us as we show the results of our NCR-SARE grant entitled:
“Developing a mob grazing system to improve the sustainability and profitability of a cattle operation in North Dakota.” The goal of our project was to mob graze cattle on cool season grasslands to promote soil health and native grass growth for ecological and economical benefits.

Directions

From Washburn go east 7 miles on County Rd 22. County Rd 22 is by John Deere. Then turn south and go 1.25 miles. The road dead ends in the yard.

From Hwy 41 turn west on County Rd 22, go 6 miles and then turn south for 1.25 miles. The road dead ends in the yard.

Please let us know if you will be able to come. We expect the tour to conclude around 4:00 pm.
