

Grape/Cherry Tomato Trellis (A)
Facing view

Grape / Cherry Tomatoes Trellis (2)

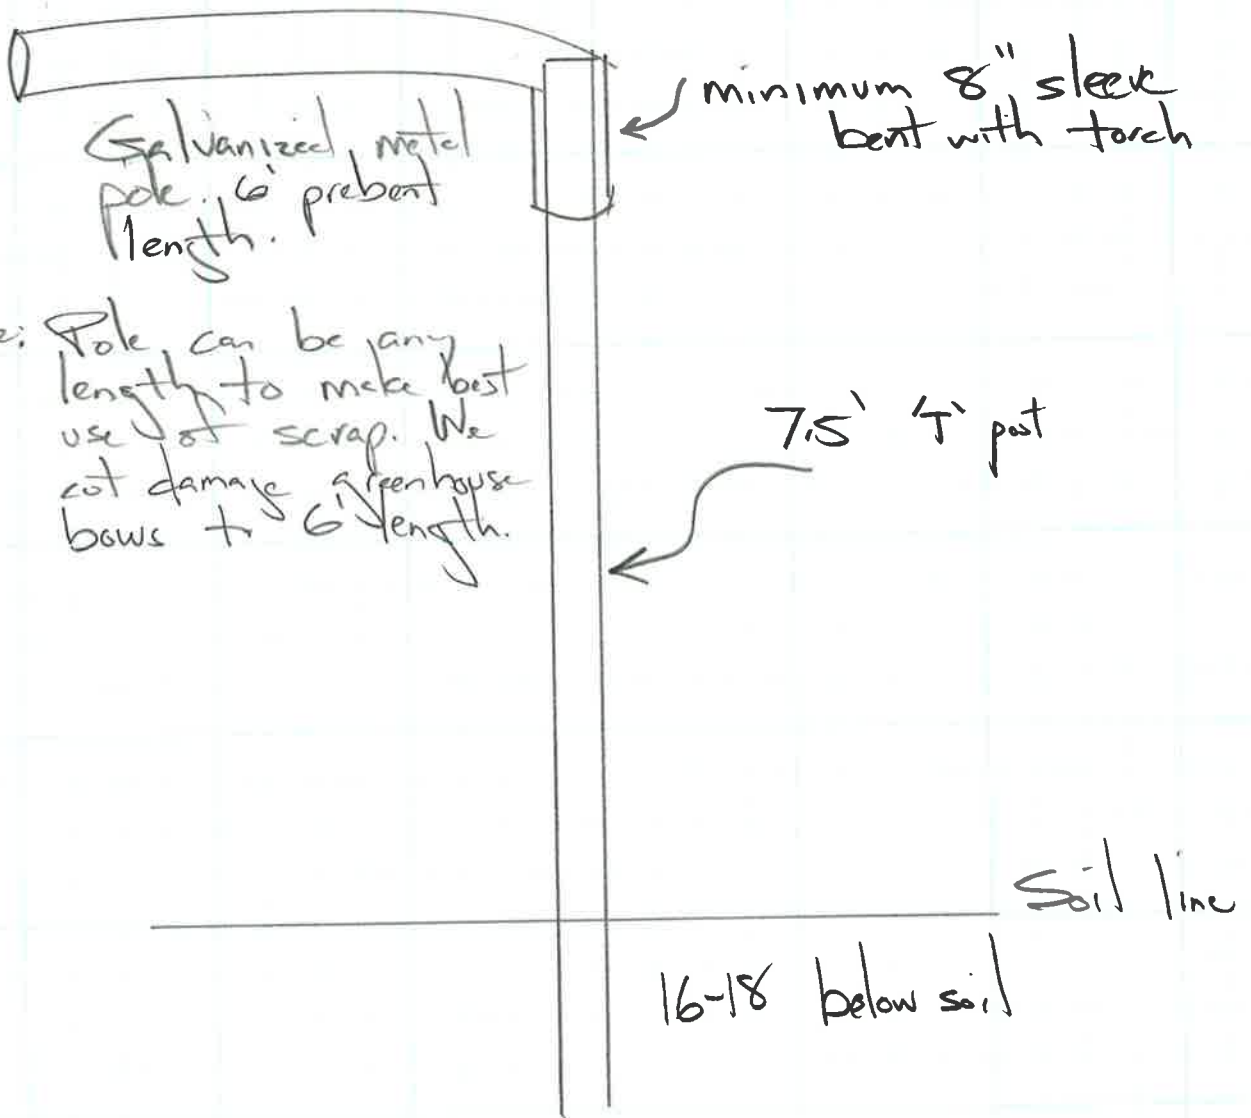

Top View

48-60" w Hortonova Mesh

Lay over poles + secure w/ electrical straps
note: As indeterminate tomatoes vines reach top of FK Weave gently, encourage vines to lay on mesh. Fruit will hang for easy harvest.

Grape / Cherry Tomato Trellis: Side View (B)

Galvanized metal pole, 6' prebent length.

minimum 8" sleeve bent with torch

Note: Pole can be any length to make best use of scrap. We cut damage greenhouse bows to 6' length.

7.5' 4" post

Soil line

16-18" below soil
