

	2009	2010	2011	2012	2013	2014	2015
Field 1 (W)	corn	beans	squash	corn	beans	cukes	(corn)
Field 2 (E)	fallow	corn	beans	squash	corn	beans	(cukes)
Funding Sources	C.S. Mott			NCR-SARE			
		Project GREEN			TBD		
		MI Veg. Council					

Figure 1. Summary of crop sequence and funding sources for long-term tillage trial at SWMREC station, Benton Harbor MI. Within each field factors included tillage (strip till vs conventional till) x cover crop (none, rye or rye-vetch) x weed management intensity (low or high) treatments. Notes: Corn = sweet corn; beans = snap beans; squash = butternut squash; cukes = pickling cucumbers.
